

# Taiwan Hostfamily Program

## 2018 Meet your host family in Central Taiwan

In order to give all international students studying in Taiwan an opportunity to have more understanding of Taiwanese culture, Taiwan Hostfamily Program invites **international students in Central Taiwan** to join the, "2018 Taiwan Host Family Tea party", on Sep 29<sup>th</sup>(Sat.).

The event will start at 中區再生基地 DRF Goodot Village(F2), where the international students will meet their host family for the first time, and stay in touch in the future.

✧ **Date:** September 29<sup>th</sup>, 2018 (Registration deadline: September 20<sup>th</sup>, 2018)

✧ **Location:** 中區再生基地 DRF Goodot Village (臺中市中山路 69 號 2F)

No.69, Zhongshan Rd., Taichung City

✧ **Guests:** All International students & host families in Central Taiwan **\*Free**

Scan here to Sign-up

✧ **Register online:** <https://www.hostfamily.org.tw/en/news/85-15163>

- (1) After completing online registration process, print out the registration form and complete it. (including the seals of school organizing personnel and unit division)
- (2) Scan or photograph the form then send it, via email, to [hostfamily@stust.edu.tw](mailto:hostfamily@stust.edu.tw) before **Sep. 20<sup>th</sup> (Thu.)**, 2018 to complete the application and registration procedure.
- (3) The application result depends on whether there is a match with a host family or not. So please wait for notification. We will send you the application result before Sep. 25<sup>th</sup> (Tue.), and provide your personal information to the host family, so that you can discuss activities after the first meeting.

✧ **Note:** Transportation from your location to the event, is the responsibility of the guests.

✧ **Uniqueness of this event:**

- √ Have the experience and understanding about the old city center in Taichung.
- √ After the tea party, you could have a walking tour, with your host family and new international friends, to visit many historical sites. You may be surprised at how amazing all the old houses show their new energy in this modern world.
